## SUMMARY

---

+ I'm a software developer with **over 5 years of experience**, and I specialize in .NET technology using ASP.NET MVC, ASP.NET Core, SQL Server and C#. Also, I'm interested in Javascript and some front-end development like React, Vue. I was in charge of coding, implementing and deploying e-commerce websites, e-governance websites and news websites in a Web Designing Company.

+ I graduated from University of Natural Resources and Environment, Information Technology Major.
